# OLIMPIA SPLENDID

## THE COMPANY

Olimpia Splendid is one of the world's leading brands of air conditioners, heaters, air treatment units and hydronic systems. Founded in Northern Italy in 1956, the brand has come to set a new global benchmark for innovation, design and environmental sustainability. Today, Olimpia Splendid proudly sells its products to more than 45 countries around the world.

## DESIGN AWARDS

Our designs have been recognised and awarded internationally.

design award

## VISION

Our goal is to improve the wellbeing and comfort of our customers all over the world, with products that allow them to control their heating and cooling environments both at home and at work.

## MISSION

We design and build products that offer intelligent, efficient, innovative solutions along with great aesthetics and respect for the environment.

## VALUES

Innovation, design, sustainability and respect for all people are the cornerstones on which our company has been built.

# CALDO RELAX / WHISPER

## COMPACT THERMAL FAN HEATERS

With up to 2000W of power the Caldo Relax and Caldo Whisper fan heaters both offer three levels of comfort control. These models offer safe and effective heating solutions. The Caldo Relax can be used in a bathroom and the Caldo Whisper with its vortex action will heat the room quietly and efficiently.

RELAX

WHISPER

### THREE MODE USE:

Two heat settings and fan only mode

### TIP SAFETY SWITCH:

Designed to automatically switch off, if the unit is tipped or falls

### BATHROOM SAFE:

Designed with protection against vertical water dripping (Caldo Relax)

### 12 MONTH REPLACEMENT WARRANTY

## PANEL HEATERS

Caldo NDM panel heaters include a bracket for wall mounting and lockable castors for portability. Using natural convection the heaters run noiselessly and, because there is no fan, they are allergy and asthma friendly. WT models feature Wi-Fi too, so they can be easily controlled from your smart phone.
